

FUTURARC GREEN LEADERSHIP AWARD 2018

RECOGNISING INNOVATION AND ENVIRONMENTAL STEWARDSHIP

FuturArc Green Leadership Award seeks innovative and ecologically responsible buildings in Asia. The competition recognises the TEAM behind a completed project: developers, architects, consultants and contractors, who have collectively pushed the limits and definition of what a Green building is in Asia.

The 2018 cycle is looking for **Green built projects**—defined as new, restored, rehabilitated or converted—that must be completed before **31st December 2017**. The project must be located within Asia or Australia.

Entries are invited in six categories:

1. Residential - Individual Houses
2. Residential - Multiple Houses
3. Commercial
4. Institutional
5. Urban
6. Socially-Inclusive
